About This Content

The original soundtrack to Bezier. 22 tracks spanning over 70 minutes. Provided in high quality 320kbps MP3 format. The soundtrack mixes orchestral, synthesizer, vocal and solo instruments within 15 game tracks. One for each four minute zone in campaign mode.

The soundtrack of Bezier was composed by Philip Bak between 2008 and 2010. It was engineered and produced by Matt Rhodes & Matt Howe at Pinewood Studios using ProTools running through a Vintage Neve 5315 console.

You can listen to the soundtrack here: <https://soundcloud.com/niinegames/sets/bezier>.

Thanks for your support.

Title: Bezier - Original Soundtrack
Genre: Action, Indie
Developer:
Philip Bak
Release Date: 28 Mar, 2016

a09c17d780

English

The image features a character profile for 'Jasmin' set against a light orange background with a subtle floral pattern. On the left, there is a partial illustration of Jasmin with blonde hair in pigtails, wearing a white and grey school-style uniform with a red ribbon. On the right, another partial illustration shows her in a blue, ruffled dress. The central text is enclosed in a semi-transparent orange box with decorative flourishes. The title 'Love Stories' is written in a large, stylized, pink and black font at the top right of the profile area.

Jasmin

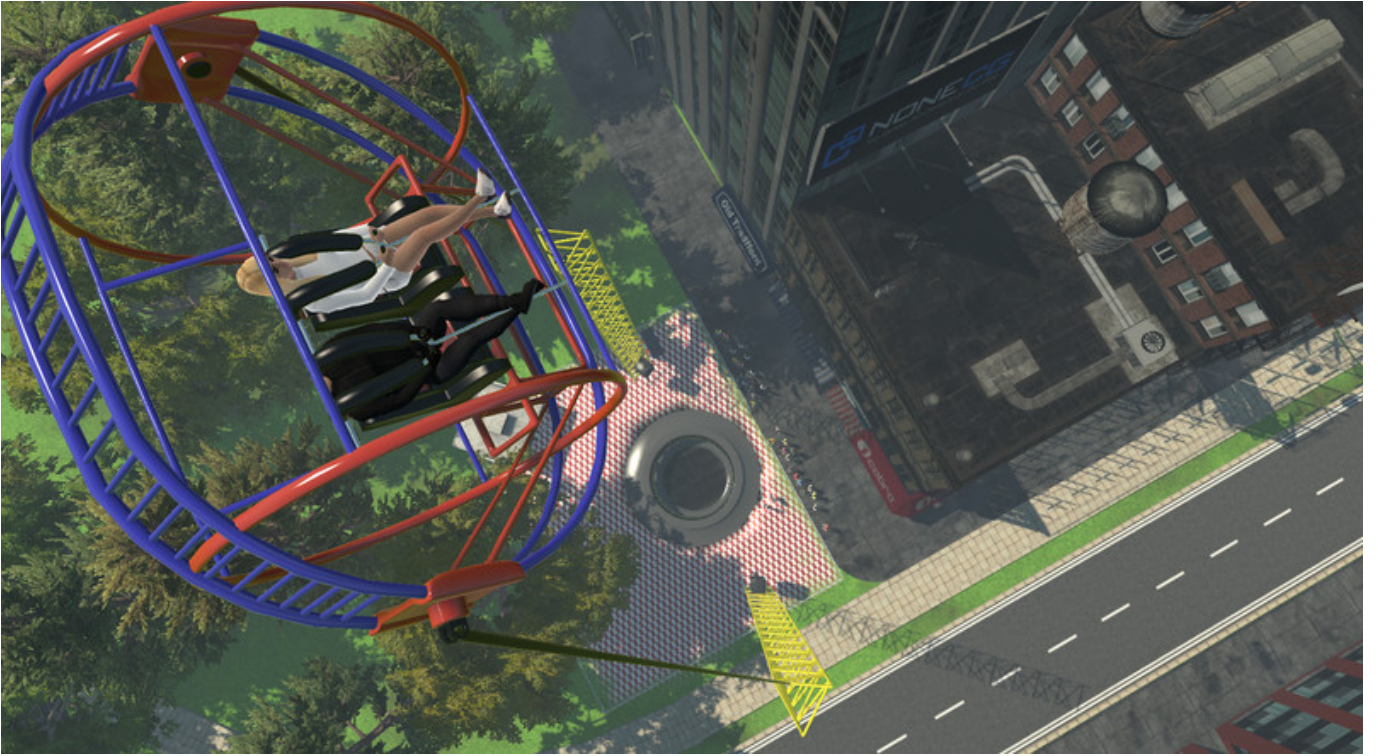

Jasmin has worked as a stripper for most of her adult life, but as she begins to consider her future she is offered new opportunities within the world of adult entertainment.

Now Jasmin must make a decision that will alter her life forever.

Does she continue on this path in entertainment, or turn away from it forever. What is it she wants?
